About Us

QBEQ Chemicals Services Pvt. Ltd, is dedicated to excellence in serving the diverse needs of the oil and gas industry. We offer a comprehensive range of high-quality chemical solutions tailored for drilling, cementing, and production enhancement operations across India.

04+

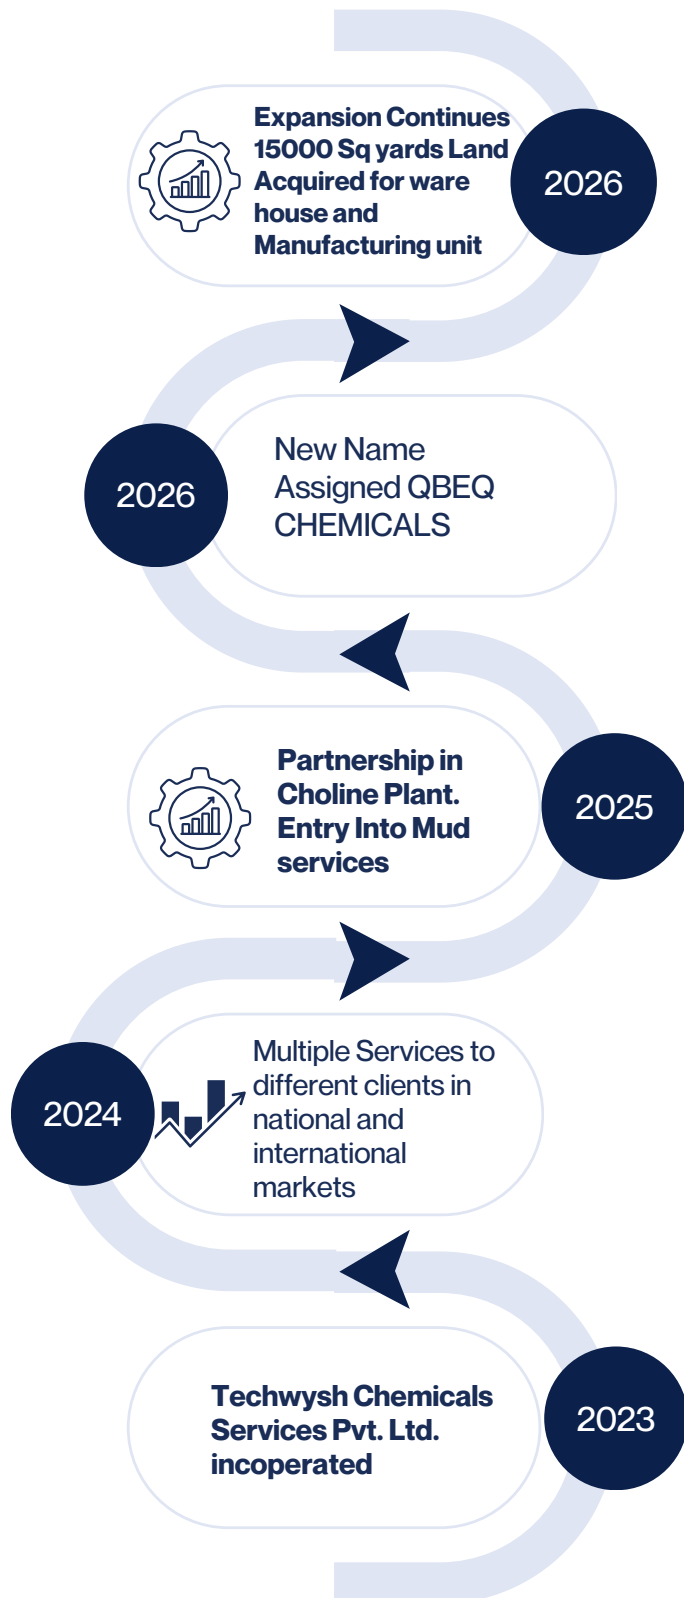

International
Trades in years

Driven by innovation and a steadfast commitment to customer satisfaction, we have built a strong reputation for reliability and performance. Our success is fueled by technological expertise, economies of scale, seamless integration, ready access to raw materials, efficient and cost-effective logistics, and streamlined processes—all contributing to our ability to consistently deliver value to our clients.

“We aim to be a trusted partner, delivering results, and adapting to the ever-changing energy landscape”

QBEQ Yearly Overview

Expertise with Technology

We have experienced professionals with extensive knowledge and latest advancements in oilfield technology and chemical solutions

Safety and Compliance

We strictly adhere to safety protocols and industry regulations to protect both personnel and the environment

Sustainability Initiatives

We strictly adhere to safety protocols and industry regulations to protect both personnel and the environment

Cost Effectiveness

Oilfield operations can be costly, and we understand the importance of cost-effectiveness.

Long Term Partnership

We are committed to building a strong relationship based on trust, reliability, and continuous improvement.

Our Products

Drilling

- ABS
- SURFACTANT
- EP LUBE
- NON EMULSIFIER
- SPOTTING FLUID
- CORROSION INHIBITOR
- CLOUD POINT GLYCOL
- CMHPG
- DRILLING DETERGENT (RIG WASH)
- HISOLV (WAX DISSOLVER)
- HP LUBE
- DEFOAMER(SILICONE & ALCOHOL)
- POTASSIUM CARBONATE
- HT STARCH
- EGMBE
- WETTING AGENT
- CMC LV&HV
- PAC- L
- PAC- R
- POLYAMINE
- EMULSIFIER
- MMO
- NIF
- MODIFIED STARCH
- POLYSOLV

Cementing

- FLUID LOSS ADDITIVE
- SPACER
- EXTENDER
- DISPERSANT
- DEFOAMR
- QBLOC(Gas block)
- SURFACTANT
- SAPP
- RETARDER (MT & HT)

Production

- SCALE INHIBITOR
- SHALE INHIBITOR
- SCAVENGERS
- CORROSION INHIBITOR
- NaCl (INDUSTRIAL & FOOD GRADE)
- PPD
- DEMULSIFIER

Our Products

Fracturing

- **CORROSION INHIBITOR**
- **BIOCIDE**
- **SURFACTANTS**
- **PHPA**
- **CLAY STABILIZERS**
- **CROSSLINKER (BORIC ACID)**

Stimulation

- **CORROSION INHIBITOR**
- **GELLING AGENT**
- **CROSSLINKER (BORIC ACID)**
- **NON EMULSIFIER**
- **CLAY CONTROL AGENT (CHOLINE)**

Our Products

Lab Chemicals

- **NITRIC ACID 69%**
- **AMMONIUM ACETATE**
- **AMMONIA SOLUTION 25%**
- **CUPRIC SULPHATE**
- **AMMONIUM CHLORIDE POWDER**
- **SODIUM HYDROXIDE PELLETS**
- **HYDROFLUORIC ACID 40%**
- **HYDROCHLORIC ACID**
- **SULPHURIC ACID 98%**
- **CHEM, MONO ETHYLENE GLYCOL**
- **ACETIC ACID 60%**

Lab Equipments

- **API Filter Press**
- **Hamilton Beach Mixers**
- **Hot Roller Oven**
- **Six Speed Viscometer**
- **Brookfield Viscometer**
- **Muffle Furnace**
- **Karl Fischer Titrator**
- **Lubricity Tester**
- **Electrical Stability Tester**
- **Cloud Point Apparatus**
- **Refractometer**
- **Ph Meter**
- **Magnetic Stirrer**

Our Units

Mehsana-Gujrat

CHOLINE CHLORIDE

QBEQ Chemicals Services is a dedicated manufacturer and exporter of specialty chemicals, headquartered and operating from its modern production facility in Mehsana, Gujarat, India. The company specialises in the manufacturing of Choline Chloride across multiple grades and formulations, supplying to sectors including Oil & Gas, Animal Nutrition, and Industrial Applications. With a total installed plant capacity of 12,000 MT per annum, a qualified workforce of 31 personnel, and state-of-the-art process equipment, QBEQ Chem is positioned as a reliable, quality-driven supplier capable of meeting both domestic and international demand. Along with lab Facility.

Gandhinagar-Gujrat

NACL Plant

QBEQ Chemicals Services is a Partner in NACL manufacturing, headquartered and operating from its modern production facility in Gandhinagar Gujarat, India. With a total installed plant capacity of 5,000 MT per month for Industrial & Food Grade.

Bhagwanpur - Uttarakhand

Drilling Chemicals

QBEQ Chemicals Services Partnered in Drilling Chemicals manufacturing, headquartered and operating from its modern production facility in Uttarakhand, India.

With a total installed plant capacity of 25,000 MT per month for Various Chemicals Liquid & Powder, with approximately 140,000 Sq ft area, Along with lab Facility.

SEC-5 Bawana Industrial Area

Cementing Chemicals

QBEQ Chemicals Services has Cementing Chemicals manufacturing facility in Bawana, India. With a total installed plant capacity of 1000 MT per month for Various Cementing Chemicals Liquid & Powder, Area of approximately 3000 Sq ft, Along with the Laboratory Facility

Our Services

Chemical Manufacturing

Leveraging cutting-edge technology to deliver tailored chemical solutions with exceptional quality standards

Equipment

Wide range of tools for use in labs and industrial settings, from basic glassware like beakers and test tubes to other larger industrial machineries

Manpower

Manpower well versed in handling, managing and monitor the machinery and processes that control chemical reactions in any industrial application

Mud Services

Committed in developing and supplying customized drilling fluid systems, along with ongoing technical support

Future Plans

Manufacturing Plant at Barmer -

- Total Area 351000 Sq Ft
- Storage Capacity for 2000 Drums
- Storage Capacity of 200 MT of Powder Products
- Speciality Lab
- Container Load unload Platform

Clients

Successfull Deliveries to

**Anglo Gulf
FZE**

- ✓ EP Lube
- ✓ NaCl
- ✓ Polyamine
- ✓ Coline Chloride
- ✓ NIF
- ✓ SilFoam 1500
- ✓ Non Emulsifiers

Successfull Deliveries to

**Weafri Well
Services**

- ✓ Defoamer
- ✓ Retarder MT & HT
- ✓ Spacer Fluids
- ✓ Extenders
- ✓ QQ-GBXS-100 (Gasblock)
- ✓ Dispersant
- ✓ SAPP

Successfull Deliveries to

Halliburton India

- | | |
|------------------------|-----------------------------|
| ✓ Non Emulsifiers | ✓ NACL |
| ✓ Choline Chloride | ✓ Acetic Acid (99% Pure) |
| ✓ Boric Acid | ✓ HiSolv (For paraffin wax) |
| ✓ Non-Ionic Surfactant | ✓ KOH |
| ✓ EP Lube | ✓ Corrosion Inhibitor |

& a lot more...
